small feet - big comfort

About us

We are a Belgian-based family brand offering timeless, high-quality baby slippers crafted with **care and passion**.

At Stabifoot, we understand how special a baby's first steps are. That's why we design and produce slippers that combine thoughtful design, superior materials, and **perfect fit** to support **natural** foot development.

Our focus is on **authenticity and quality**, ensuring our products provide comfort and durability for babies aged 0-24 months. Loved by parents and trusted by retailers, Stabifoot slippers are not just practical but also charming, offering a beautiful balance of tradition and innovation.

With Stabifoot, you are choosing products that make every step a memorable one.

Love,

customer review

A big advantage is
that they **stay on**
perfectly!

Additionally, they are
lightweight and
flexible, making them
super easy
for mom and dad
to put on!

Babysoft size guide

Because it can sometimes be challenging to determine the **right size** for a baby,

Stabifoot has developed a unique sizing system for the Babysoft collection.

Simply measure the baby's feet using the Stabifoot pedimeter, and the Stabifoot box will indicate which slipper size matches the foot measurement in centimeters.

Easy and convenient!

0 = 10 cm

- 6 = 11 cm

- 12 = 12 cm

- 18 = 13 cm

- 24 = 14 cm

Ricky & Bambi

The Perfect Shoe for First Steps

Our Ricky & Bambi shoes are designed to support your child's very **first steps**.

Made from high-quality **leather**, it allows tiny feet to **breathe** comfortably throughout the day.

The sole's shape—wider at the toes and narrower at the heel—provides plenty of room for little feet to **move naturally and develop a healthy walking pattern**.

Soft and flexible, yet with a sturdy heel for added **stability**,

They are the ideal first shoe for your child's earliest adventures in walking!
